We proceed to the Constitution of the Free Association in the Free Territory of Trieste (FTT), called International Committee Free Port of Trieste Conference (ICFPT Conference), in compliance with the resolutions passed by the International Committee of the Free Port of Trieste Congress (ICFPT Congress) the 09/03/2016.

The ICFPT Conference will be located in Trieste, Porto Vecchio, Warehouse 26, but will use a provisional office in Via I **Omissis** Trieste.

FINALITY

The association initially held the functions of Legal Entity Representative of the needs expressed by the citizens of the FTT, all gathered in several associations, which gave up in 1947 to accept any of the citizenships of Italy and Yugoslavia, ipso facto, not becoming stateless, but citizens its own country under UN auspices and therefore the international community with a special decree in international law.

The ICFPT Conference manifests the refusal of the Administration of the Free Territory of Trieste by the Italian Government, to the appeal of the Italian law on or relating to the Free Territory of Trieste, for refuted and affirmed, with silence / assent, "Nullity constitutional ", due to the lack of enforcement in the legal Ordinary Italian at Art. 117 of the Italian Constitution.

The ICFPT Conference will be engaged in the reintegration of the Jurisdiction of the Free Territory of Trieste, as defined in the 16th resolution of the UNSC and the Peace Treaty between Italy and the Allied Powers in 1947.

The Association will strive to obtain the recognition of the Legal Jurisdiction Sovereign through possessory action, however carried out in compliance with the law and the people, thereby affirming the sovereignty of the Free Territory of Trieste people, and in the territory, the Free port of Trieste.

The ICFPT Conference, intends to obtain the return to the control of the Government of the Free Territory of Trieste, and from the Port of Trieste, Trieste State Property, Cadastre Triestino including "Tavolare", managed by Vienna, Trieste and the Office of "Book foncier Triestino", because the property of Trieste Populations.

This is not only to encourage all economic activities of neighboring nations with speeches, that only if they come from "foreign" sources, are not amenable and manageable, the conditions agreed by the International Conventions; thereby intending to bring Peace, Safety and Well-being to all the populations concerned.

And also in order to ensure to all nations of the Italo-Balkan context, to take advantage of economic and, of those activities related to this case of the Free Port / Tax Free and a territory with its own jurisdiction.

ADDRESSES

Achieved the goal of the Representation Legal and Judicial, to date, for obvious reasons of international politics, clouded, the Association will cure the Government of the Territory in the name and on behalf of the citizens of the international community, it establish a government that will manage all activities social and economic.

The Government dell'ICFPT Conference must first of all ensure, in the Free Territory of Trieste, the citizen priorities are the safety and well-being.

These will be achieved through the Welfare and Healthcare, or rather setting policies of a security system - Pensions guaranteed and accumulated for all Residents, contract system, for all the residents, guaranteed dall'ICFPT Conference - to create the minimum being sought from all new born, regardless of nationality, color religion and his political orientation.

Safety will be exercised within the territory by a police force that will act to ensure internal security and, along with the police forces of the neighboring states, to ensure protection and respect for the law in the territory.

Outside the territory, especially in the United 8 former Yugoslavia, we will agree on the structuring of an Infrastructure Network, composed of highways linking Ports, Airports and Free Zones, among the eight States today interested in the Free Territory of Trieste, this will allow to put in peace and well-being even in boiling geo-political situation.

Security will also be secured by the agreements with neighboring states to which it will adopt the principles of subsidiarity and provides support in the development policies of other states, in every way that will from time to time agreed between the Institutional Stakeholders and the Zona Franca / Tax Free of the Free Territory of Trieste.
